### Commander's Corner

**The support that we are receiving from the community is very encouraging. Several of the restaurants in town have begun working together to help with fund-raising for our Circle of Flags project.**

**Remember that the Circle of Flag bricks go on sale this month, the price will be \$50.00 a brick with 3 lines of text 15 characters each line. See the Club Manager - Gary Cameron or our Facebook page for the details.**

**I can't stress enough that our mission is to support all of our local Veterans, so if you are aware of one in need, please let our Service Office, and Town Veteran Agent Estelle Flett know immediately.**
