

Service Officer:

Estelle Flett—Director of Veteran’s Services—Town of Norton (508)285-0274, veteranagent@nortonmaus.com

A collection of Military memorabilia is underway for a display of Past and Present at the Town Library, drop off any items you would like to have displayed to Estelle at Town Hall.

It is very important that all of our Veterans enroll in the VA system. The number of Veterans that are served by the VA system determines the level of funding.

Estelle will help with any support needed for VA claims or VA Health Care.

"Let every nation know, whether it wishes us well or ill, that we shall pay any price, bear any burden, meet any hardship, support any friend, oppose any foe, to assure the survival and success of liberty."

Commander's Corner

It is with great sadness that we remember one of our best friends of the VFW, Holly Instasi passed recently and she can never be replaced. Please keep her family and friends in your prayers during this challenging time.

We have had a number of unexpected passing's in our Family this year combined with a few serious illnesses. We need to make it as much of a priority to support our own family and friends, as it is to support our Veteran's.

Thank you for your support, membership, and most importantly, your service!
